## **1. WELCOME & INTRODUCTION**

On behalf of British Cycling, UK Sport and Manchester City Council I am delighted to invite you back to Manchester for the second round of the 2016 UCI BMX Supercross World Cup at the National Cycling Centre.

We are delighted that the Manchester round was awarded UCI BMX Supercross World Cup Event of the Year in 2015 and we are looking forward to welcoming you all back to the home of British Cycling for the fourth time in 2016.

Since the 2015 event, the track has undergone further developments, with changes to the first jump, third straight and final straight set to make for even more spectacular racing, which we hope will be enjoyed by riders and spectators alike.

Manchester's BMX track continues to provide Great Britain's athletes with a world-class training and competition facility and is hugely important for BMX in this country. Providing people from Greater Manchester and beyond with an accessible facility, the centre contributes significantly to the development of BMX from grass roots level upwards. We hope that the chance to see the world's best BMX athletes competing here will continue to inspire people to take part in the sport.

This competition guide should provide you with all the information you need to enter the UCI BMX Supercross World Cup and plan your journey to the event in Manchester. Should you require further information or have any questions please contact the organising team on [bmxsuperx@britishcycling.org.uk](mailto:bmxsuperx@britishcycling.org.uk).

Thank you for being part of what we anticipate will be a fantastic event. We look forward to welcoming you to Manchester.

**Jonny Clay**  
Event Director
